				Manufacturing Unit of Mudulipalli Main Out Still Liquor Shop;at- Mudulipalli ; Dist- Ganjam of Sri Sanjay Prasad			unit is generating waste water less than 100 KLD and recommended to grant Environmental Clearance for production of 2.748 KLD of country Liquor with following condition in addition to modified conditions recommended in SEAC meeting held on 19.01.2018. (i) The Environmental Clearance is granted subject to the subsequent order of MoEF&CC, Govt. of India if any in the matter; and that the EC is liable to be revoked forthwith if Govt. of India treats these units otherwise than B2 category.	project (non-molasses based distilleries), primarily because any such unit is generating waste water less than 100 KLD. The production capacity of each such unit is extremely meagre, being less than 5 KLD; so its, potential for causing pollution and its environmental impact are very minimal. The unit is regulated through license granted by the State Excise Deptt. The units are located on private land or non-forest Govt. land. These are dispersed over the interior tribal areas of the State; and have very low scale operation. The units are presently operating on the strength of Hon'ble High Court's order. The High Court has ordered that their EC applications shall be disposed off expeditiously. We have reported the facts of the matter to the MoEF&CC, (The Joint Secretary Sri Gyanesh Bharati) vide our email dated 26.03.2018. As recommended by SEAC we may therefore proceed to grant EC, subject to concurrence by the MoEF&CC with categorization of the proposal as B-2 category project.
2.	07-Nov-17	29.11.17	20921/55-IND2/11-2017	Proposed 1.890 KLD Country Liquor Manufacturing Unit of Janibili	Industry-2	Ganjam	The SEAC in its meeting held on 17.03.18 has considered the proposal as 'B2' category as the unit is generating waste water less than 100 KLD and recommended to	The SEAC has appraised this proposal as B-2 category project and has also strongly recommended for treating such country liquor units as B-2 category project (non-molasses based distilleries), primarily because any such unit is generating waste water less than 100 KLD. 9.	24-Jan-18	29-Jan-18	21643/102-IND2/01-2018	Production of 1.08 KLD Mahua Flower Based Country Liquor Manufacturing Unit, Bandhapada Main Out Still Shop at Bandhapada, Tahasil-Deogaon, Dist-Balangir of Sri Sanjay Kumar Sahu	Industry2	Balangir	<p>The SEAC in its meeting held on 22.03.18 has considered the proposal as 'B2' category as the unit is generating waste water less than 100 KLD and recommended to grant Environmental Clearance for production of 1.08 KLD of country Liquor with following condition in addition to modified conditions recommended in SEAC meeting held on 19.01.2018.</p> <p>(i) The Environmental Clearance is granted subject to the subsequent order of MoEF&CC, Govt. of India if any in the matter; and that the EC is liable to be revoked forthwith if Govt. of India treats these units otherwise than B2 category.</p>	<p>The SEAC has appraised this proposal as B-2 category project and has also strongly recommended for treating such country liquor units as B-2 category project (non-molasses based distilleries), primarily because any such unit is generating waste water less than 100 KLD. The production capacity of each such unit is extremely meagre, being less than 5 KLD; so its, potential for causing pollution and its environmental impact are very minimal. The unit is regulated through license granted by the State Excise Deptt. The units are located on private land or non-forest Govt. land. These are dispersed over the interior tribal areas of the State; and have very low scale operation. The units are presently operating on the strength of Hon'ble High Court's order. The High Court has ordered that their EC applications shall be disposed off expeditiously. We have reported the facts of the matter to the MoEF&CC, (The Joint Secretary Sri Gyanesh Bharati) vide our email dated 26.03.2018. As recommended by SEAC we may therefore proceed to grant EC, subject to concurrence by the MoEF&CC with categorization of the proposal as B-2 category project.</p>
