Agenda Item No- 4

For consideration of a multi specialty hospital project, AMRI.

AMRI has been requested to clarify that the construction area does not exceed 20000 sqm. of the built up area as stated by him, to furnish necessary documents and drawings of the building and yet to furnish a list of hazardous wastes likely to be generated. In response, AMRI has not yet clearly indicated about the plinth area proposed construction nor he has furnished drawings in support of proposed hospital. AMRI has furnished a list of hazardous medical waste to be generated.

Agenda Item No- 5

Proposal for Ahejore barrage project at Debdhara in Lakhanpur block of Jharsuguda district.

In view of the proceedings of the meeting of the SEAC held on 20th & 21st October 2010, the committee observed that the proposed location is likely to come under critically polluted area, i.e. Ib valley area notified by MOEF, Govt. of India. The MOEF, Govt. of India put restriction on consideration of Environmental Clearance of projects in critically polluted areas up to 31st October 2010. Moreover, category-B projects located within the critically polluted area will be treated as category-A project as per EIA notification of Govt. of India. The issue of location of any project with respect to the critically polluted industrial cluster can be resolved by the CPCB as per MOEF, Govt. of India notification dated 15th March 2010. The MOEF Environment (Protection) Rules, 1986 amended in 2009 under 1/c states that irrigation projects not involving submergence or inter-state domain shall be appraised by SEIAA as category B projects. Moreover, the project is of public interest without any pollution potential but located within critically polluted area. The SEIAA is competent to decide in this matter as per MOEF Notification No. J-11013/5/2010-1A.II (I), dated January 13, 2010.

Agenda Item No. 6

The following proposals have been received as per dates indicated against each, which are due to be placed before the next SEIAA meeting after preliminary scrutiny.

Agenda Item No. 7

For Public Hearing by other Agency.

Two letters received from M/s S.C Padhee mines owner, Joda, district Keonjhar for the work as follows for conducting public hearing.

- I. Proposal for E.C for expansion of annual production of iron ore from 1.0 lakh TPA to 4.0 lakh TPA over an area 49.776 ha. at village Gurubeda in the district of Keonjhar.

The above proposal was submitted to MOEF, Govt. of India by the proponent. TOR has been prescribed by the MOEF, Govt. of India. After constitution of State EIA Authority the MOEF, Govt. of India have returned the proposal to State EIA Authority. Accordingly the proponent has been requested to submit final EIA & EMP report with modified Form-1 and scrutiny fee. In response the proponent has intimated that the SPC Board has failed to conduct public hearing within the specified period.

- II. Proposal for E.C for expansion of annual production in respect of Banspani iron & manganese mines.

The above proposal which was submitted to MOEF, Govt. of India is still pending with them. The SPC Board is also failed to conduct public hearing.

For the above two proposals the applicant M/s S.C Padhee has cited the Stage (3) Public Consultation of rule IV of the provisions under EIA Notification, 2006 and also has requested to the regulatory Authority to engage another public Agency or Authority for the public hearing which is not subordinate to the Authority to complete process within 45 days period.
