5. Agenda Item No-4

A proposal was received from Sri Radha Raman Alloys Ltd. on 21.12.09 for expansion of induction furnace at village Jharabeda, Rajgangpur in Sundargarh district. The proposal was sent to SEAC on 22.01.10 which is now at pipeline stage of SEAC. In the mean time the proponent had requested on 23.04.2010 to the Authority to withdraw his proposal. The matter was placed in the SEIAA meeting on 14.05.10 and accordingly the project proponent was requested to intimate the name of the project proponent and the authorized signatory with a proof of such authorization. It was also intimated to the firm that the request for withdrawal must be under the signature of the authorized signatory. Accordingly the proponent has furnished a copy of the board resolution with a certificate authorizing Sri Naresh Kumar Garg, Director to sign and represent un-behalf of M/s Sri Radha Ramana Alloys Ltd. for favour of consideration to withdrawal the proposal.

The proposal was discussed and it was decided that since the signatures of the proponent varies from letter to letter, the proponent may be asked to appear before the Authority for withdrawal within 15 (fifteen) days of the date of issue of this letter, failing which the proposal may be closed under intimation to the proponent through E-mail, Fax and Registered with A.D.

6. Agenda Item No-5

The following 2 (two) proposals were earlier sent to SEAC on 08.05.09 for appraisal. In the mean time the proponents had requested for allowing them some time for modifying the mining plan after which they would submit the same.

The proposals were discussed and the following decisions were taken.

Sl. No	SI No. of Proposal	Name of the project	Name of the Proponent	Recommendation of SEAC	Decision taken by SEIAA
--------	--------------------	---------------------	-----------------------	------------------------	-------------------------

Post with A.D.

7. Agenda Item No-6

The following 2 (two) proposals were sent to MOEF, Govt. of India directly by the proponents prior to the functioning of the SEIAA at Bhubaneswar. Subsequent to the functioning of the SEIAA in the State, the proponents submitted the EIA and EMP reports along with Form-1 to the SEIAA for grant of E.C. On receipt of these documents from the project proponents, SEIAA requested MOEF, Govt. of India for the concerned documents submitted to them earlier and accordingly MOEF, Govt. of India transferred the documents along with MOEF files for consideration of the cases by SEIAA. The proposals were discussed and the following decisions were taken.

Sl. No	SI No. of Proposal	Name of the project	Name of the Proponent	Whether details provided are ok for sending it to SEAC (see check list)	Decision taken by SEIAA
1	106	Production of 80,000 TPA of iron ore in respect of Nayagarh Iron Ore deposit over 24.570 ha. in village Nayagarh of Champua sub division in Keonjhar district.	K.C Pradhan Mines Owner Plot No-1262, Road-8, Unit-9, BBSR-751022	Yes	May be sent to SEAC for appraisal
2	134	60 MW (2X30) coal based captive thermal power plant at-Vijay Chandrapur, Paradeep, Dist-Jagatsinghpur, (Phase-1)	M/s ESSAR POWER Orissa Ltd.	The proposal submitted by the proponent to MOEF is for phase-I where as the proposal submitted with SEIAA is for phase-II. The phase-II had been sent to SEAC for appraisal based on which the SEAC has prescribed TOR for undertaking EIA study & the EMP for the phase-II. Hence there is confusion on whether the scrutiny fee is submitted for the phase-I or phase-II.	The case may be placed in the next meeting of the SEIAA for further discussion and decision.

8. Agenda Item No-7

The following 4 (four) proposals were placed in the SEIAA meeting against which show cause notices have been issued by SEIAA for commencing the construction work prior to grant of EC. In response the proponents have submitted their clarifications. The proposals

were discussed and it was decided that more detail information be placed on these proposals in the next meeting of SEIAA to take further action in the matter.
