3. Agenda Item No-2

The following proposal was sent to MOEF, Govt. of India directly by the proponent prior to the functioning of the SEIAA at Bhubaneswar. Subsequent to the functioning of the SEIAA in the State, the proponent submitted the final EIA & EMP report along with Form-1 to the SEIAA for

grant of Environmental Clearance. On receipt of the documents from the project proponent, the SEIAA requested to the MOEF, Govt. of India for the concerned documents submitted to them earlier and accordingly MOEF, Govt. of India transferred the documents along with MOEF's files for consideration of the case by SEIAA. The proposal was discussed and the following decisions were taken.

Sl. No.	Sl. No. of Proposal	Name of the project	Name of the Proponent	Present position (See check list)	Decision taken by SEIAA
1.	116	Proposal for EC for production of manganese ore 12000 TPA at Joda in the district of Keonjhar	Sri D.B. Sundara Raman of Manmora manganese mines of M/s TATA Steel Ltd.	The proposal had been submitted by the proponent to MOEF, Govt. of India. The MOEF, Govt. of India have now returned the project with file to the State EIA Authority. Now the proponent has submitted the Final EIA & EMP report.	May sent to SEAC

4. Agenda Item No-3

The following 3 (three) six monthly compliance report of the proposal on which Environmental Clearance was issued early have been received by the SEIAA. The decision taken by SEIAA against each is indicated below.

Sl. No.	Sl. No. of Proposal	Name of the project	Name of the Proponent	Present position	Decision taken by SEIAA
1.	04	For enhancement of production of iron ore from 0.036 MTPA to 1.5 MTPA at Deojhar iron mines in the dist of Keonjhar	M/s. Tarini Minerals (P) Ltd. The proponent has now furnished six monthly compliance report to the SEIAA.	Be sent to SEAC for review and assessment.

5. Outside Agenda

Further it was discussed and decided for following up of the earlier decision for posting of one Environmental Scientist and one Environmental Engineer for the SEIAA. It has been long felt that in absence of adequate appropriate personnel in the SEIAA, the day to day activities of the Authority, which has considerably increased like movement of cases from SEIAA to SEAC and vice versa and other related activities is not possible to be run smoothly. As a result, the Authority is not in a position to do full justice to its creation. The presence of 2 (two) technical persons i.e. an Environment Scientist and an Environment Engineer is highly essential with immediate effect. The State Govt. in F & E Dept. who are providing the logistic support to the SEIAA be again moved to facilitate the same immediately preferably with deputation from SPCB.

The meeting ended with a vote of thanks to the Chair.
