**File No. SEIAA-24/12-2022**

**NOTICE**

**Subject: Invitation for Public Comments and Suggestions on Draft “SOP on Study of Replenishment of sand using Drone Survey” prepared by ORSAC.**

The State Environmental Impact Assessment Authority, Odisha (SEIAA) is pleased to invite your valuable feedback, comments, and suggestions on a draft document titled “SOP on Study of Replenishment of sand using Drone Survey” prepared by ORSAC. We believe that public participation and input are essential in shaping policies and initiatives that affect our society. Your perspectives will play a crucial role in ensuring the document's comprehensiveness, effectiveness, and alignment with the needs and aspirations of the public.

The above said SOP aims to provide a standard operating procedure for performing sand replenishment study to carrying out sustainable sand mining in the state of Odisha. It has been prepared by the ORSAC in collaboration with SEIAA, Odisha. We are now seeking public input to further enhance the document and incorporate diverse viewpoints.

We encourage you to review the draft document, which is available for public viewing on the website of SEIAA, Odisha [URL: <http://www.orissaseiaa.gov.in>]

To facilitate the submission and consideration of your comments and suggestions, we have established the following guidelines:

- a. Please ensure that your feedback is constructive, clear, and relevant to the content of the draft document.
- b. You may provide general comments or specific suggestions for improvement, along with supporting evidence or examples where applicable.

- c. Include your name, contact information, and any affiliations or organizations you represent, if applicable.
- d. Specify the section or page number of the draft document to which your comments refer.

Therefore, you are requested to submit your feedback through mail at [info.seiaaodisha@gmail.com](mailto:info.seiaaodisha@gmail.com).

The deadline for submitting your comments and suggestions is on or before 27.06.2023. After the deadline, all received feedback will be reviewed, analyzed, and considered in the finalization of the document.

Thank you for your participation.

  
Member Secretary
